

TRANS POWER IS BUILT IN THE STREET!

**Take part in the Bread, Roses and Hormones survey,
join the fight for trans community survival**

What we are asking!

What are the survival struggles of low-income trans people in Southwest B.C and how we can fight back?

Survey Goals!

1. To identify and analyze the survival struggles of poor Indigenous and working class trans people,
2. To connect to each other and politicize our struggles
3. To develop the political leadership of our trans siblings

Survey Outcomes!

1. Frequent reports and calls to action
2. A network to carry out actions, education, and reflection
3. Trans community power based on revolutionary political struggle
